A NEW ACADEMIC YEAR AWAITS!**

Dear Students,

As we stand at the threshold of a new academic year, 2025–2026, and prepare to celebrate the silver jubilee of our school, my heart is filled with joy and gratitude. This fresh beginning, resonating like the chime of silver bells, is a precious gift—an opportunity to thank God for His unwavering faithfulness and to inspire each of us to embrace new paths, discover our hidden potential, and strive toward becoming the best version of ourselves. I am delighted to present to you this year's school magazine, a vibrant reflection of our achievements, innovations, and milestones. These successes have been made possible through your dedication, the unwavering support of our staff and parents, and the spirit of collaboration that defines our school community.

As we embark on this academic journey, remember that education is more than academics. It is about shaping character, nurturing your passions, and uncovering your purpose in life. With the wisdom and guidance of the Lord, we will walk together—empowering your talents, strengthening our sense of unity, and cultivating a culture of excellence. There will be moments of challenge and triumph, but through it all, know that you are never alone. You are part of a vibrant, supportive community that believes in you and is committed to uplifting and encouraging you at every step.

Let us seize this new beginning to unlock our potential and become agents of positive change in our world.
